

The 28th Pan Pacific Congress of Real Estate Appraisers, Valuers and Counselors

September 26 - 29, 2016 / Kyoto International Conference Center

Welcome Message

The Japan Association of Real Estate Appraisers (JAREA) is honored to host "the 28th Pan Pacific Congress for Real Estate Appraisers, Valuers and Counselors" in Kyoto (PPC Kyoto 2016) from September 26 to 29, 2016 at the Kyoto International Conference Center.

JAREA is celebrating its 50th anniversary this year. Japan's real estate appraisal industry has grown in conjunction with the development of the Japanese economy over the past 50 years. Today, the real estate industry collaborates worldwide with a variety of professional fields, including finance, accounting, taxation, and the environment. Real estate appraisers now must have more diverse and sophisticated knowledge and skill sets to meet the demands of this global collaboration.

We at JAREA believe that PPC Kyoto 2016 will be a great opportunity to depart for the next fifty years in the Japan appraisal industry by providing an opportunity for real estate appraisers, valuers, and counselors from various countries to exchange knowledge, skills, and practices, as well as to develop professional networks worldwide.

We look forward to seeing all of you at PPC Kyoto 2016.

KUMAKURA, Takaji
President, Japan Association of Real Estate Appraisers
